No : 1/2023/PhD/Notification

Doctoral Program (PhD) Notification for Admission 2023 (Sept / October) RIM invites application from eligible candidates for Full time / Part time PhD Program

The Doctoral Programme in Management (PhD) at the MS Ramaiah Institute of Management (MSRIM), Bengaluru, is both a full-time and a part time, doctoral programme offering research and studies in different fields of management. This PhD program is affiliated to University of Mysore (UoM) and aims to prepare Doctoral students for careers in the academia and in the fields of applied research.

The basic eligibility to apply for admission to the PhD Program is:

Master's degree (full time) in Management with at least 60 percent aggregate marks or equivalent grade point average;

Qualifying Examination

A candidate fulfilling the basic eligibility criteria should have a valid test score (not older than two years from the closing date of the PhD application) in UGC-JRF / NET / SLET / Entrance examination conducted by the University of Mysore.

Procedure for Admission

Candidates seeking admissions to the PhD Programme in Management download the application (available in the www.cfrmsrim.in website, attach all the required documents and submit their application, either in person or by post to "Ramaiah Institute of Management (MSRIM)" Gate No-8, General Sciences Building, C Block, MSRIT Post, MSR Nagar, Bengaluru-560054"

Selection Criteria

The candidates will be shortlisted (on the recommendation of the respective areas) on the based information provided in the application form. The selection process is as follows:

Stage 1:

The candidates satisfying the academic eligibility criteria as mentioned above should submit their application online.

Stage 2:

Based on the applications received, candidates satisfying Academic eligibility criteria, the shortlisting will be done and those candidates will be called for a Presentation on a Topic (PoT) and a Personal Interview (PI), to be conducted at MSRIM, Bengaluru.

Stage 3:

MSRIM, expects a consistent and minimum performance in the different parameters of Presentation on a Topic (PoT) and Personal Interview (PI), which will be decided by Doctoral Committee. Candidates not meeting the minimum performance in any of PoT and PI parameters will not be considered further. However, they could apply again the following academic year.

Stage 4:

Final selection will be based on the requirements of the academic area to which the candidate has applied and an area-wise offer list will be prepared.

Only the candidates satisfying the requirements mentioned in earlier stages will be considered for the final selection. A merit list will be generated based on the performance in the Personal Interviews and the provisional admission offers will be made.

The last date of submitting the completed application form is October 15, 2023. For any clarification, you may reach us over by calling on 080-2360 6640, 6641, 6642, 8769.
